## **Geranium Lake- Flowers**

We're a creative bunch. Classically trained as a fine art painter, owner Kim Foren fosters an innovative, whimsical, artistic, and energetic environment in her Floral Art Studio. She believes there is a natural art in flowers, and named her business after her favorite Winsor and Newton oil paint color "Geranium Lake" as a reminder to let creativity lead. Through Kim's masterful design, vision, and direction, Geranium Lake has become Portland's premiere floral and event company, and we're all sure that her 23rd year in business will be another filled with gorgeous flowers and unbelievable beauty. Our commitment to sustainability and giving back to our communities can be seen through our generous nonprofit program and floral donations. As people who so dearly treasure natural resources, we do our best to buy local flowers, compost and re-purpose.
