Adult B'nei Mitzvah Class

Our entire congregation wishes the Adult B'nei Mitzvah class of 5781 a heartfelt "Mazal Tov" on learning Hebrew, prayers, chanting and interpreting Torah. This year, of course, the pandemic forced us to cancel their special service and instead, they offered to chant their portion for all of us on Yom Kippur Afternoon as part of the service. Perhaps equally as challenging as learning Hebrew as an adult is learning how to record oneself on zoom, but this class was more than ready! They recorded themselves and finished their studies in a virtual world of classes.

We congratulate:

Louis Guzman-Woldrich

Matthew Harad

Bonnie Davis

Sarah Pitman

Nettie Macdougall

Eve Bernfeld

And honorary class member Michael Barnes

Yeshar koach-may each of you go from strength to strength!
