

# Date Selection

Shabbatot 5785 – 5787

Secular Calendar Year June 2025 – September 2026

On this form, you will see a list of open celebration dates along with the corresponding Torah portion for the calendar year June 2025 – September 2026. Please select your top three dates that work for your family schedule.

If changes need to be made as the date you have selected draws closer, there is far less availability to select a new date and portion. Please take your time thinking and discussing which dates work for you and your family. Dates selected are on a first come first serve basis.

You may want to take into account the Torah portion and the time of year. Please be sure to specify on the on-line from whether you are choosing a service on Saturday Morning (10:30am) or an Evening Havdalah\* Service (5:00pm).

\*Please note that the Torah portion for Havdalah services are that of the next week\*

There will always be at least one clergy member in town to lead services, but CBI cannot guarantee which member at this time.

Any questions regarding your selection can be directed to our Education Coordinator, Elisabeth Pierson at [elisabeth@bethisrael-pdx.org](mailto:elisabeth@bethisrael-pdx.org) or 503-222-1069 ext. 114.
