FAQ

Q: Do you offer scholarships?

A: Yes! We are happy to work with you to scholarship your students.

Cost should never be a reason for students not to participate in our program. To talk further about scholarships, indicate your interest on the application form. Once your application is received our Education Coordinator, Elisabeth Pierson, will contact you to discuss options, plans, and billing.

Q: Do I have to pay online?

A: No, we can also take payments over the phone (503-222-1069) or via check dropped off to our office. Please let us know if you will be dropping off a check to our office so we can be aware and plan accordingly. All checks are due by September 15, 2022.

Q: Do I owe the entire amount when I register?

A: No, we offer payment plans for those who would prefer to pay over the course of the year. If you do not plan to pay in full, please indicate in your registration.

Q: How do I set up a payment plan?

A: Indicate in your registration that you would like a payment plan. Our Education Coordinator, Elisabeth Pierson, will contact you to discuss when you would like payments set up, how much your monthly payments will be, and when your first invoice will appear.
